

INVITATION OF EXPRESSION OF INTREST (EOI)

**Implementation of centralized
PUC Software
on BOO model for 5Years**

DOCUMENT NO: 21928

Dated: 31-03-2023

**O/o State Transport Commissioner, Punjab,
SCO-177-178, Sector17-C,
Chandigarh-160017**

1. Introduction: About the Department

The Transport Department, Govt. of PUNJAB is one of the key departments of administration. It provides citizen services and collects taxes and fees. Transport Department is headed by The Transport Commissioner, as a head of the department The Transport Commissioner regulates the implementation of the Motor Vehicle Act in the State of PUNJAB. The Transport Commissioner, Govt. of PUNJAB., also functions as the State Transport Authority. Transport Commissioner monitors the major entry point of the state on which enforcement is to be implemented.

2. Brief about the Project

Presently there are approx. 1832 numbers of authorized Pollution Check center in the state. In line with the environmental concerns Department of Transport Punjab intend to implement the effective system in the state by implementing centralized PUC system. The Complete online networking solution includes Customized Software, hardware, lease line, server/ cloud server, SMS sending, notice generation etc. Online system means the PUC Check center will be connected to centralized server through any ISP while testing the vehicle using its unique user ID and password. In case the system is not logged on to server, no test should be performed. The PUC check centers should always remain connected to the centralize server through Internet Service Provider (ISP) to the portal, else the front-end software application will not perform the test. Hence, it will only be an on-line testing. The new PUC Centers at par with the old centers.
