How to create Virtual RC on mParivahan?

To get instant access to your RC through mobile phone, you have to create your virtual RC on the mParivahan app (**mparivahan ऑनलाइन**). The complete procedure to create Virtual RC is explained below through various steps. Just go through the steps and get your virtual RC created.

- Open mParivahan App.

- Click on your name at the top and click on the "My RC" option.

- Click on "Create Virtual RC".

The screenshot displays the mParivahan RC Dashboard. At the top, there is a blue header with the mParivahan logo and the tagline "A step to virtualization". Below the header, there are three tabs: "Dashboard", "RC Dashboard" (which is active), and "DL Dashboard". A search bar is present with the placeholder text "Enter RC number to get details" and a magnifying glass icon. Below the search bar, there is a note: "RC number format e.g. DL01ZZ0000 , DL1ZZ0000 , ABC1_ , ABC0001.". The main content area features a "Welcome to mParivahan" message, a car icon, and the text "You have not yet created a virtual RC". A blue button labeled "Create a virtual RC" is highlighted with a red rectangular border, and a red arrow points to it from the bottom left. At the bottom of the dashboard, there are three buttons: "My RC", "Shared RC", and "Received RC".

- Now, the Virtual RC dashboard will open. Enter your RC no. and click on the Search button.

- Now, a pop-up box indicating a note about your activity log will appear. Click OK to proceed further.

- Complete detail of your vehicle will open your mobile screen.

- Scroll the page down. Click on the “View Challan” option if any challans otherwise proceeds ahead by clicking on “Add to Dashboard for Virtual RC”.

The screenshot displays the mParivahan app interface. At the top, there is a blue header with the mParivahan logo and the tagline "A step to virtualization". Below the header, there are three tabs: "Dashboard", "RC Dashboard", and "DL Dashboard". The "RC Dashboard" tab is selected. A search bar labeled "RC" contains the text "Enter RC number to get details" and a magnifying glass icon. Below the search bar, there is a note: "RC number format e.g. DL01ZZ0000, DL1ZZ0000, ABC1, ABC0001". The vehicle details are listed as follows:

RC Status	ACTIVE
Fuel Type	PETROL
Vehicle Age	2 Years & 0 months

Below the details, there is a section titled "Tap to Check the Vehicle Impound & Seizure Document Status". This section contains a table with the following information:

Registration Date	Feb 02, 2019	Fitness Valid UpTo	Feb 01, 2034
Insurance Valid UpTo	Jan 28, 2024	Tax Valid UpTo	LIFE TIME TAX
PUCD Valid UpTo	Jul 06, 2021		

Below the table, there is a note: "*If details are not available for certificate of PUCD, Insurance etc., same may be verified from physical document." Below this note, there are two buttons: "Add to Dashboard for Virtual RC" (highlighted with a red box) and "View Challan". A red arrow points from the "View Challan" button to the "Add to Dashboard for Virtual RC" button. Below the buttons, there is a "Recent Search" section with a "Clear All" link and a search history entry. At the bottom, there are three buttons: "My RC", "Shared RC", and "Received RC".

- Verify your RC by providing Chassis No. and Engine No.

- RC will be verified and you will get the message- "Go to the dashboard to check your RC details"

- Your Virtual RC will be created and displayed in the RC dashboard.

- Click on the Virtual RC details. A QR code with other RC detail will open.

- You can download this QR code by clicking on the download option and present the same whenever required.
